What *GLAD* is about

## Parenting Skills

Learn the most effective  
parenting skills through:

- ★ Nurtured Heart
- ★ Active Parenting

Spend time with other parents  
and share stories & strategies

## Educational Goals

Learn about yourself

What are your educational  
and/or job goals?

Where would you like to see  
yourself in a few months?

Let's work together to develop a  
strategy to make those dreams  
come true!

---

Children are welcome and child  
care is provided. Each hour and  
a half session includes  
refreshments for moms and  
children.

*GLAD*  
is a place for you to grow

Did you ever want to start school,  
get back to school, get a new job,  
or just get back to work?

Orion is offering a free twelve-week  
educational motivational group for  
single moms.

This program is designed for moms  
who want to develop new strategies  
to inspire their children and  
themselves.

A weekly meeting will include lots of  
information on parenting and how to  
focus on your employment and life  
goals.

**Maybe even get your dream job!**
