

Black Lives Matter. They have always mattered and will continue to matter. Social justice matters. The injustice of inadequate or unaffordable housing, unlivable wages, suspect arrests and incarcerations require our renewed commitment to reach out to each other, especially our neighbors of color, until we **correct the inequality forever.**

Neighbors helping neighbors is core to Orion's values.

"Neighbor is not a geographic term. It is a moral concept. It means our collective responsibility for the preservation of man's dignity and integrity."

(Rabbi Joachim Prinz - 1963 march in Washington, D.C.)

We stand together in support of Black Lives Matter.
